

THE AROMA BOMA – ULUSABA SPA

The Aroma Boma at Ulusaba is the perfect antidote to all the excitement of being out on the game drives. A whole range of relaxing treatments is available, from facial rituals to massage to essential grooming.

The Aroma Boma at Rock Lodge is located 800 feet above the African Savannah with truly stunning views over the Bush and offers complete privacy. At Safari Lodge, The Aroma Boma is built on the banks of the dry Mabrak riverbed amongst the trees and away from the main lodge area, so the only likely disturbance is perhaps the odd elephant wandering past!

Ulusaba Signature Treatment

Intonga Asasatchi

Intonga Asasatchi is a deep tissue and stress relieving treatment. Skilful movements are performed with the hands and different sized wooden sticks are used to stretch tight muscles and ease toxic overload from daily stress.

Blessing the body and eliminating any negativity was very much part of the healer's ritual in treating ailments. In today's world we know that the body holds memory of all emotional experiences. An inability to let go often expresses itself in the body as arthritis or a sluggish lymphatic system that can be blamed for low immunity. The healer saw this as negativity possessing the body.

Symbolically the stick or staff represented wisdom and direction to the healer. Created from wood, the traditional healer knew that the energy of earth symbolising growth and abundance is a valuable tool, not only in grounding the individual, but also its intrinsic ability to absorb and purify negativity, re-channeling energy flow.

SIR RICHARD BRANSON'S
PRIVATE GAME RESERVE

HEAVEN'S ANGELS – VIRGIN UNITE

Though preventable and treatable, over 16,000 people die each day from HIV/AIDS, TB, and malaria, the majority being in sub-Saharan Africa. That's because many of them live in the 'last mile' where cars can't go and aid can't reach.

Virgin Unite, Virgin's charitable arm, is raising money for the 'Heaven's Angels' project to buy motorbikes for trained medical workers in sub-Saharan Africa so they can reach thousands of people who may otherwise die unnecessarily.

In aid of this charity, we have devised these 'Heaven's Angels Spa Packages' whereby 15% of the money from treatments sold helps to raise funds for this worthy cause.

Be an Angel...Buy a Spa Package in our Aroma Boma for 'Heaven's Angels'.
