

At Ulusaba, kids of all ages staying at Rock Lodge will be invited to join the Cub's Club. Because Rock Lodge is small and intimate, and because we know each Cub is different, we do not operate a set programme. Instead we offer a fantastic range of activities that we tailor to each child or group.

On arrival all Cubs will be given a Cub's Club backpack which contains lots of little goodies to help keep them entertained and to help to educate them about the African Bush. In every Cub's room there will be a special welcome letter and a list of phone numbers to make it easy for them to get hold other members of their pride, along with Ulusaba staff. Also for their safety, we have security guards on duty all night that will pay particular attention to rooms occupied by Cubs.

Other Cub's Club features include...

- A welcome treasure hunt to help familiarise Cubs with their surroundings
- Story books in their rooms and in the lounge. These include old favourites and ones with an African or animal theme
- Educational books in their room and in the lounge that help them get the most out of their experience in Africa
- A great range of new and classic children's DVDs and videos that they can watch in the lounge, along with music CDs
- We have lots of games up our sleeve and we always try to combine entertainment with some education
- Your Ranger will be more than happy to spend time with your Cubs to tell them all about the Bush and the animals they see
- We regret that very young Cubs (under 6 years) cannot participate in our regular game viewing programme, however we are happy to try to arrange some short excursions around Rock Lodge and other safe areas to spot wildlife such as impala, giraffe and other general game. Also, due to safety, Cubs are not able to participate in Safari Walks, but we can arrange short excursions around Rock Lodge to spot birds, insects, lizards and so on
- We can arrange bedtime story telling in the Lounge complete with milk and cookies, or whatever normally helps get your Cubs ready for bed!
- On departure, all Cubs will be invited to become permanent members of Ulusaba Cub's Club and will receive a bi-annual newsletter and a birthday card

In addition to this we can also arrange Cub's Cuisine if you wish, such as pizza, toasties, pasta etc. and a babysitting service is available free of charge, however please be aware that off-duty staff who have experience with children are used for this. Due to our location we do not have professional child carers available, but with advance notice this could be arranged at an extra cost.

If you have a rather large pride with lots of Cubs or if you'd just prefer it, we can arrange a set programme provided we get advance notice – just let us know the ages and interests of the Cubs concerned, and we'll come up with something to keep them entertained.

Remember that all of this is at no extra cost, unless a charge has been mentioned above. And lastly, we understand that every Cub is different so if you want anything specific provided for your particular Cub then please let us know and we will do everything we can to ensure their stay runs just how you want it to.
